SILVERJET

Once our winner has enjoyed the best of this cosmopolitan city, they will travel in style to the Big Apple with Silverjet, the world's first carbon neutral airline offering a private jet experience.

A Silverjet chauffeur will transfer customers to the airline's 'Silver Lounge', part of the private terminal at London Luton Airport.

Check in time is only 30 minutes for those with carry on luggage, or 45 minutes with luggage to check in, thanks to the terminal's dedicated security.

100 flat beds beckon on board and female customers can refresh in a separate ladies bathroom. Sit back and relax whilst being served delicious gourmet food and enjoy the portable in-flight entertainment system with all the latest movies, comedy shows and Silver Screen classics.

On arrival, two nights of luxury accommodation await at the sophisticated Jumeirah Essex House. Perfectly situated in the heart of Manhattan, with Central Park as its own personal playground, this renowned Art Deco hotel successfully fuses 21st century style with an epic history of glamour.

Having recently undergone a multi-million pound refurbishment guests will stay in newly re-styled suites, walking in the footsteps of dignitaries, celebrities and world leaders alike.

Wake up to the city that never sleeps with two nights in the hotel's luxury Presidential Suite, be treated to an exclusive dinner prepared by the hotel's executive chef, Christian Gradnitzer, and enjoy a fabulous night on Broadway including limousine transfers to the show. At the hotel, guests will be indulged with Grand Afternoon Tea in the new-look art deco lobby and invited on a personal art tour by the hotel's resident curator.
